Importance: High

All,

Attached is a list of the 18 grievance codes that the JTC uses when a new case comes in. The three grievances underlying the formal complaint against Ms. James were coded 13 (grievance 2011-19202), 14 (2011-1982), and 7 (2011-19381). We intend to discuss these codes at the hearing tomorrow morning as a means to narrow the scope of the document production. Please let me know if you have any questions.

Best regards,

John

Counsel,

Regarding the above-referenced matter, Mr. Bursch (who have added to this email chain, as well as Mr. Nelson) and I had a telephone discussion a few minutes ago. We agreed that we will extend the deadline for the JTC Defendants' response to the motion for reconsideration for two weeks (Mr. Bursch will circulate a proposed stipulation,
